Mark, Suzanne,

The link worked for me. Thank you!

Dave Becker

Sure - I wasn't sure who was to be on the distribution list. If forwarding the link to Dave doesn't work let me know and I can send it to him. I can also email a version without the lab reports if that is easier. That is why the file is so large.

Thank you Suzanne, I have received the report. I would also like to share this with Dave Becker at the USACE EMCX. Thank you - Mark
